

Business Personal Property Taxes Due May 17!

Attention all Davis County Business Owners. We just want to remind you that your annual filing of business assets for the Business Personal Property Taxes is Due on May 17, 2021.

Here are some important things you need to know about this tax.

1. You can file quickly and easily online at <https://webportal.daviscountyutah.gov/app/personalproperty/#!/Home>
2. Did your business close BEFORE January 1, 2021? Either call our office at 801-451-3249 and let us know or click on the link above and then click on the green "Business Closed?" link.
3. If your business closed AFTER January 1, 2021, you are still required to file and report on your assets for 2021.
4. Don't know your account number or PIN? Call our office at 801-451-3249 to get this information.
5. If the value of your depreciated assets is less than \$15,300 you are exempt from paying taxes (meaning you don't have to pay anything) BUT you still have to file by the deadline of May 17 in order to qualify for the exemption. If you file after this date you will be required to pay the taxes plus penalty and interest.
6. The penalty for filing after the May 17 deadline is \$25.00 or 10% whichever is greater.
7. Our call volume increases greatly from May 10 through the deadline of May 17. We can not guarantee we can return your phone call before the deadline. Please don't wait until the last minute to call and ask your questions. Waiting may result in a late filing.

If you have any questions about this tax or your filing for this year, please call our office at 801-451-3249.
